Up to 8 cameras can be installed on a truck to meet your unique requirements and objectives.

The pictures and video recordings provide a more comprehensive view of incidents and service data, which are automatically recorded by our in-cab smart display.

Improve driving with our Safety Cameras that capture various driving scenarios:

- Monitor real-time driving habits
- Get footage of day-to-day driving and incidents for individual coaching
- Collect evidence to exonerate drivers in the event of an accident

Improve cart/container management with our Operation Cameras that track specific tasks:

- Track bins
- Monitor lift's safe use
- Record contamination status
