

SAFE FLEET **UPFIT** SOLUTIONS

Maximum Work Truck Storage.
Minimum Downtime.

Why Safe Fleet Upfit Solutions?

Your vehicles require upfits, installations, preventative maintenance, equipment replacements, and repairs—but you'd rather avoid multiple vendors, extensive downtime, or costly amateur mistakes.

Who do you turn to?

Safe Fleet Upfit Solutions: Safe Fleet's one-stop facilities with trained technicians on stand-by who will service your vehicles with premium fleet safety products from our trusted portfolio of brands.

ONE STOP SHOP

We are your reliable, fleet upfit and management partner rooted in safety and productivity. Reduce downtime, manage vehicle ROI or cost of ownership and improve vehicle life-span with one vendor.

EXPERT TECHNICIANS

All fleet services are performed by our trained, professional technicians certified in a number of specialties.

FLEXIBLE SERVICES

Your place or ours? We're available anytime, anywhere to service your fleet's unique needs.

QUICK TURNAROUND TIME

Downtime can cause lost revenue for your fleet – we're driven to reduce the liability of an out-of-service vehicle.

INTEGRATED SAFETY

Our services are complemented by our portfolio of best-in-class fleet safety products from industry-leading brands – making us a single-source, start to finish, for managing your fleet.

SAFETY & COMPLIANCE

Our services and products meet or exceed every industry standard and regulation for safety.

SAFE  FLEET
Driving Safety Forward™

Safe Fleet is the leading provider of safety solutions for fleet vehicles. We design, manufacture, sell and install Smart Safety Solutions™ that save lives, reduce injuries and make fleet operators more productive. We've unified best-in-class brands with deep fleet market know-how and a 120-year history of innovation to form an integrated safety platform for fleets of every type. We're the trusted fleet safety experts over 2.5 million fleet operators rely on to make vehicles smarter, so everyone on the road is safer. With 1,900 employees, 16 manufacturing locations, and 13 upfit centers across North America, we're Driving Safety Forward™ for today's and tomorrow's fleets. And as part of the Clariance Technologies team of companies, we share a vision for a safer tomorrow for all transportation. *For more information visit safefleet.net.*
